

Annual General Meeting

The Society held its Annual General Meeting ('AGM') on 24 October 2005 at the Raffles City Convention Centre. The Society's Treasurer, Ms Malathi Das, presented a report on the audited accounts of the Society for the financial period 1 August 2005 to 31 July 2006. An item on the agenda was a discussion on the future of the Society's building levy. Several views were given at the meeting; the Society would seek views of members in the coming months as this matter is to be decided by practitioner members at next year's AGM.
