Something for you to smile about.

In-house

Regional Legal Counsel (7-10 yrs pqe) Singapore Join the team overseeing the legal and regulatory needs for the Middle East and Africa. Ideally, candidates have general corporate commercial experience gained in-house at a reputable company. Having worked for a financial institution and/or a US corporation will be an asset. Must have a pro-business facilitating attitude rather than having a negative, enforcing style, along with strong interpersonal skills. Ref: 8459

Legal Counsel (6-8 yrs pqe) Singapore Be part of a dynamic team together with the regional counsel based in Singapore handling all of SEA for this technology company. Candidates need a broad mix of experience in commercial, corporate, compliance, litigation, etc. gained from reputable law firms and MNCs. Additional aspects that will be an advantage are: experience or background in construction law; cross border or regional experience; exposure to US Foreign Corrupt Practices Act. Fluent written and spoken Mandarin and English are imperative. Ref: 8284

Legal Manager (5-8 yrs pqe) Singapore Superior corporate/commercial lawyers are sought to join a high-powered MNC. The work involves liaising with external counsels in various jurisdictions to track legislative developments, which requires a high level of professional communication skills. Along with Singapore qualification, at least 3 years law firm experience and 2 years gained in a corporate department with corporate secretarial experience is required. Intellectual property, litigation and/or regional work exposure is an added benefit. Ref: 8431

Senior Manager, AML Group (5+ yrs pqe) Singapore Asia-Pacific role to handle anti-money laundering in the private wealth management division of an eminent financial institution. Under the Legal and Compliance Division, the incumbent will draft and implement policies/procedures, monitor regulatory developments and perform client reviews. Previous experience in AML/due diligence in a banking environment is ideal. Knowledge of securities is also advantageous. Fluent English and strong relationship management skills are required. Ref: 8379

Legal Counsel (4-6 yrs pqe) Singapore Our client is in need of a lawyer with general corporate experience with a focus on power projects, preferably in Asia. Experience is required in negotiating and drafting agreements and contracts related to the power industry. To excel, you should have good communication skills, be a commercial thinker and have the willingness to travel. The incumbent will enjoy working in a relaxed corporate culture but needs to have the drive to work independently and get things done. Ref: 8412

Contract Negotiator (4-6 yrs pqe) Singapore Looking for a lawyer to be responsible for providing legal advice and contracts/negotiations support to an IT MNC. The work is focused on transactions, and candidates need demonstrated success in negotiating large and complex deals, particularly in the area of strategic and managed business process outsourcing and consulting. As the role covers ASEAN, international experience is a benefit. To excel, you must be bright, dynamic and savvy with a good personality. Ref: 8445

Legal Counsel (4+ yrs pqe) Singapore Singapore qualified lawyers are invited to apply for this corporate commercial role within a global conglomerate. Previous in-house experience is an asset as is a litigation foundation. The position will review, advise on, draft and negotiate a variety contracts and manage disputes, claims and litigation. Excellent English is a prerequisite. Ref: 8374

Legal Counsel (3-5 yrs pqe) Singapore Excellent opportunity for a junior lawyer to grow and learn the business and handle ISDA work and compliance on transactional issues. UK, New York, Australian, NZ or Singapore qualification will be considered. Prior exposure to commodities products is highly advantageous. Chinese language skills are important but not mandatory. Ref: 8446

Legal Manager (2-3 yrs pqe) Singapore Handle a diverse range of challenging and constantly changing legal matters arising from a broad geographic area. This preeminent logistics company requires strong drafting skills and the ability to manage projects independently. Previous experience in Singapore is needed, but Singapore qualification is not required. Fluency in English and at least one other major Asia language is necessary. Ref: 8402

Private Practice

Corporate Partner Singapore Seeking a corporate partner or senior associate with general corporate finance experience to grow the business. This firm has long established roots in Asia and desires partners with the drive to continue their success. An excellent firm environment awaits the chosen lawyer. Ref: 8455

Commercial Litigator (3-8 yrs pqe) Singapore Look forward to working on high-end commercial litigation matters. Well regarded local firm seeks a superior candidate who has experience from a top firm. An established record of high quality work is needed. You can look forward to a congenial atmosphere and top compensation. Ref: 8429

Corporate Associates (2-5 yrs pqe) Singapore Top international law firm seeks high caliber corporate associates with M&A and PE experience. Junior-level lawyers from London or the US are ideal, but candidates from top local firms are also welcome to apply. Must have superb academics and international background. Ref: 8215
