Private Practice

RESTRUCTURING/INSOLVENCY HONG KONG

This is a very rare opportunity to join one of the more established non-contentious restructuring practices in Hong Kong. The team seeks an individual with experience of working at an international firm who is looking to make a step up to a multi-jurisdictional practice. Ref: 6201. 2-4 years

SHIPPING LITIGATION SINGAPORE

This prestigious international law firm is looking for an experienced shipping litigator to join the market leading team. Ideally you will have experience in both dry and wet shipping work and will also be able to work on more general commercial litigation and arbitration matters. Ref: 3379. 4+ years

BANKING SINGAPORE

Top-tier UK firm seeks a banking and finance lawyer for its Singapore office. The firm has an excellent name in the region and is looking for someone who can hit the ground running immediately. The partners would prefer Singaporean experience and Mandarin skills. Ref: 5890. 2-4 years

FINANCE SINGAPORE

This is superb opportunity to work at one of the leading offshore firms in Singapore. The partners seek a strong mid-level lawyer with broad lending experience gained at an international firm. Some general corporate commercial exposure would also be of interest. Ref: 6035. 2-5 years

ENERGY/PROJECTS PARTNER SINGAPORE

Top rated energy practice is looking for a partner to complement its team and help build upon the existing clients and mandates. The practice needs someone capable of generating business and exploiting the ongoing opportunities in the region. Ref: 1747. 6+ years

CORPORATE SINGAPORE

Our client is a leading international firm with an excellent corporate team. Their work focuses on a range of deals including corporate finance, M&A, private equity, JVs and FDI. The firm is seeking a candidate with a stable working history and solid academics. Ref: 5085. 4-8 years

LITIGATION SINGAPORE

Singapore's leading disputes practice wants to hire a Singapore-qualified lawyer. You will be involved in international commercial litigation and arbitration for a blue-chip client base. Solid academics and top-tier experience is essential. Ref: 3447. 2-5 years

CORPORATE HONG KONG

The successful candidate will be technically strong and have a broad range of corporate law experience ideally gained within a leading law firm. This role will involve M&A transactions, private equity and general corporate work. Top international rates. Ref: 4066. 2-5 years

IP HONG KONG/PRC

This international law firm boasts an award-winning IP team and it seeks to hire lawyers with IP experience including trademark registration, enforcement, copyright and patent areas. Fluency in both English and Chinese are essential. Ref: 1032. 2+ years

In-house

APAC HEAD OF INVESTIGATIONS SINGAPORE

Pre-eminent Fortune 500 Global company is now looking for a senior professional with solid litigation/corporate investigations experience to manage this function across the APAC region. Previous employment experience would also be an advantage. Ref: 6239. 6+ years

APAC HEAD OF CONTRACTS SHANGHAI

Global Fortune 500 IT corporation now seeks an experienced commercial contracts specialist to head the contracts department in the APAC region. You must have regional exposure as well as previous management experience. Fluent Mandarin is essential. Ref: 6392. 8+ years

ISDA NEGOTIATOR HONG KONG

Bulge-bracket investment bank continues to add resources in Asia and is now looking for an experienced ISDA negotiator to join the team. You will have experience working with clients in NE and SE Asia and will be familiar with ISDAs, CSAs and related agreements. Ref: 6380. 2+ years

DERIVATIVES SINGAPORE

Premier financial institution seeks mid-senior level candidates with solid derivatives experience, particularly equity, credit, FX and commodities, to join the team. This role will involve supporting operations in both North and South Asia. No languages necessary. Ref: 1946. 6+ years

PROJECT MANAGEMENT - PRIVATE BANK HONG KONG

Unique opportunity for mid-level legal/compliance professional to join premier private bank and manage high profile projects in the region including rolling out global initiatives and policies; advising on expansion of business in new markets e.g. India. Ref: 6390. 5+ years
