Private Practice

INTERNATIONAL ARBITRATION SINGAPORE

Strong US firm is looking to take on a mid-level lawyer with excellent arbitration experience gained from an international firm. You will need a strong academic background and will be working with a well regarded partner newly recruited by our client. Ref: 6249.

3-4 years

SHIPPING LITIGATION SHANGHAI/HONG KONG

This is an exciting opportunity for an experienced shipping lawyer to join a well respected, global firm. You will need to have good technical, interpersonal and communication skills as well as the enthusiasm to work well as part of a team. Ref: 5071.

5-7 years

SHIPPING LITIGATION SINGAPORE

Well regarded firm with an excellent shipping practice is looking for lawyers with strong shipping experience to come on board and join the team. A solid academic background is essential, but applicants from local as well as international firms are welcome. Ref: 6166.

2-8 years

RESTRUCTURING/INSOLVENCY HONG KONG

This is a very rare opportunity to join one of the more established non-contentious restructuring practices in Hong Kong. The team seeks an individual with experience of working at an international firm who is looking to make a step up to a multi-jurisdictional practice. Ref: 6201.

2-4 years

SHIPPING LITIGATION SINGAPORE

This prestigious international law firm is looking for an experienced shipping litigator to join the market leading team. Ideally you will have experience in both dry and wet shipping work and will also be able to work on more general commercial litigation and arbitration matters. Ref: 3379.

4+ years

ENERGY LAWYER BEIJING

US firm seeks an energy associate with experience on either the M&A or project development side. The firm has a strong reputation for energy work globally and the Asian practice is no different. The partners are keen to speak to good quality mid-level to senior associates. Ref: 6131.

5-9 years

ENERGY/PROJECTS PARTNER SINGAPORE

Known worldwide for energy work, this firm is looking for a partner to complement its team and help build upon the existing clients and mandates. The firm needs someone capable of generating business and exploiting the ongoing opportunities in the region. Ref: 1747.

6+ years

PRIVATE EQUITY SINGAPORE

World's leading private equity firm needs a candidate with experience driving market leading deals for various funds involved in buy-outs, venture capital and growth capital transactions. Great opportunity for a lawyer with contacts in the region. Ref: 4063.

4-8 years

LITIGATION SINGAPORE

Singapore's leading litigation practice needs a new associate. You will be involved in high profile international commercial litigation and arbitration and represent some of the biggest corporations in the world. Chinese language skills are not needed. Ref: 3447.

2-5 years

In-house

ASSISTANT REGIONAL COUNSEL SINGAPORE

Unique opportunity for a commercially minded lawyer looking to move into a heavily business focused role with a leading FMCG. You will have the maturity and credibility to effectively partner the business and must possess solid corporate commercial legal skills. Ref: 6255.

5-8 years

EMPLOYMENT COUNSEL HONG KONG

Global financial services organisation now seeks a mid-level employment lawyer to join the team in Asia. You will have a mixed contentious and non-contentious background and will be looking for a more commercial role. Excellent career prospects. Ref: 6232.

4-8 years

EXEC DIR, COMPLIANCE SINGAPORE

Global financial services firm now seeks an experienced and high calibre compliance professional to lead the team. You will have particular expertise in investment banking/sales & trading and a solid working knowledge of the Singaporean regulatory regime. Ref: 6199.

10+ years

MEDIA/IP/IT COUNSEL SINGAPORE

Global media organisation continues to grow in Asia and is now seeking a mid-level lawyer with previous broadcasting/media experience or solid IT/IP experience to join the team. Excellent opportunity to join a dynamic and successful organisation. Ref: 6265.

4-5 years

COUNTRY HEAD/SOLE COUNSEL INDIA

Due to increased activity across the emerging markets, this global commodities group is now looking for its first lawyer to be based in India. You will have strong commercial legal skills, solid communication skills and the ability to work autonomously. Ref: 6271.

4/5 years

VP COMPLIANCE SINGAPORE

Premier investment banking group now seeks an experienced compliance professional, preferably with solid wealth management/securities experience, to head the business. High-level relationships with the relevant regulators highly desirable. Ref: 6200.

7+ years

SNR BANKING COUNSEL HONG KONG

Global banking group now requires a senior lawyer with a strong general/corporate banking or global markets background as it seeks to grow its Hong Kong office. Any previous derivatives experience would be highly desirable. Ref: 6270.

10 years

DOCUMENTATION SPECIALIST HONG KONG

Leading bulge-bracket investment bank requires a junior to mid-level documentation specialist to support the fixed income business. Previous experience covering interest rate swaps, credit derivatives, FX, repos and bond options is desirable. Ref: 6231.

2-5 years

LITIGATION/INVESTIGATIONS SINGAPORE

Pre-eminent Fortune Global 500 company is now looking for a senior professional with solid litigation/corporate investigations experience to manage this function across the APAC region. Previous employment experience would also be an advantage. Ref: 6239.
