

motivating or challenging?

Whatever you're seeking in a career, HSBC will take you the distance.

At HSBC, we open up diverse career possibilities to nurture, inspire and challenge our people, whatever role they may play. And this diversity is part of what makes HSBC a great place to work.

The Hongkong and Shanghai Banking Corporation Limited

With our aspirations and business interests across 86 countries and territories worldwide, the world is yours to take on when you join HSBC. Providing local banking and finance expertise to the world for over 140 years, our achievements are testaments to our capabilities and our commitment to designing world-class financial solutions for our clients.

Payments & Cash Management

HSBC Payments & Cash Management (PCM) is a leading provider of cash management services to the institutional and corporate markets in Asia Pacific. To maintain and enhance our strong market position, PCM now seeks to strengthen our team to maintain a competitive product offering, well integrating this into our overall cash management proposition to meet the evolving and increasingly sophisticated needs of our expanding clientele.

Vice President, Client Implementation (Documentation Team)

Based in Singapore and reporting to the Senior Vice President of the Client Implementation team, you will lead, direct, and manage a team of officers in managing all documentation aspects of domestic and regional cash management solutions. You will ensure that all implementation documents are in order and processed most efficiently, so that revenue can be generated soonest. In addition, you will provide consultancy advice on the documentation requirements of various PCM products, and share the best practices across the region. You will also be required to continually provide support on administrative, documentation and operational matters to maintain our existing client relationships and ensure that our service levels meet both the bank's and our customers' expectations. Planning, leading and managing simple domestic and regional cash management solutions for customers across Asia Pacific to ensure that our cash management services are delivered professionally and timely, also form integral parts of this role.

Along with a good Degree in Law, you should possess post-qualification experience of 5 to 7 years, of which minimum 3 to 5 years were in the banking industry or financial services sector. Knowledge of cash management, experience in managing a documentation team, as well as good knowledge of banking operations, processes and workflows are advantageous. In addition, you must be people-oriented, willing to invest time in cultivating professional relationships, and able to adapt to dynamic changes in a business environment. You must also be able to recruit, as well as professionally manage and develop outstanding managers to ensure that the documentation team comprise talented and motivated people whose strengths could be well tapped to meet our business goals. Passionate and energetic, you are also expected to possess good negotiation, interpersonal, communication and team leadership skills. Corporate lawyers are welcome to apply.
